"This is a dream come true for me. If it was not for CIDA, I would be home involved in crime, or doing nothing constructive. Here I am able to be somebody."

- Collin Maphutha, CIDA graduate, now employed at Standard Bank in Johannesburg

"In my many years of tertiary education I have never come across a higher level of commitment, innovation and creativity being applied to a programme of adult learning, and the excellent use of available resources to match, as CIDA City Campus."

- Professor Nick Binedell, Director of Gordon Institute of Business Science, University of Pretoria
